## \*\*\* ULTIMATE BBQ RIBS \*\*\* 'Grill & Glaze'

**Dutch Convenience Meat** has developed various types of **Ribs**:

- Full rack or Ribs (calibrated and uncalibrated)
- Handy Ribs
- Individual Ribs with and without BBQ sauce
- Portion Controlled about 500 gr
- Bulk packed about 4 x 500 gr

All our ribs are **slow-cooked**. The demand for Loin Ribs is popular, but for a really wow-effect, you can choose for the Belly Rib.

The **Ultimate Ribs** are marinated with honey and a smokey Rub. That's a nice starting point for your cookers to give the finishing touch.

'Grill and Glaze' ..... Sweet, Hot or BBQ, pick your favourite to get your own twist.
